## KANDY BROWN LOUNGE CHAIR

\$1,760

### DESCRIPTION

This stunning lounge chair was designed by the internal design team of Pacini & Cappellini. Its unique piece will make a statement in a modern entryway, a rustic living room or a contemporary study, thanks to its thick seat cushion and the exquisite combination of natural materials. The structure is made of solid ash and boasts extra-short legs and an enveloping backrest. The cushion is upholstered with non-removable leather. The cover can be made removable and in eco-leather or fabric, while the wood can also have an American cherry, wenge, walnut, tobacco or matt lacquered finish. Please ask the Concierge. Contract and commercial certifications available upon request.
