KANOPI 3 WHITE VASE WITH LID

\$370

DESCRIPTION

This exquisite vase with a lid in matte white features a classic urn-like shape that is highlighted by modern details such as the ring that functions as handle for its lid and the groove-shaped decorations at its top and bottom. The elongated silhouette of this piece will make it a sophisticated accent in any home. Part of the Kanopi collection, this object will be ideal as a piece of functional design in any room and will make a striking effect if paired with the others from the same series.
