## KANTRO VASE

\$490

### DESCRIPTION

This unique object is made in ceramic with a matte polished outside paired with a glossy enamel inside. The simple cylindrical shape of its body is highlighted at its top by five vertical semi-elliptical handles that add volume and dynamism to the piece. Timeless and elegant, this vase will make a statement in any room it is placed and will be a bright addition to an entryway, a living room, or a study.
