KATANA ARMCHAIR OLIVE-GREEN BY PAOLO RIZZATTO

\$3,120

DESCRIPTION

This armchair's three legs are integrated into its overall frame, supporting its comfortable, oval-shaped padded seat and rounded backrest. Its matte, olive-green, nabuk leather seat offers a visually interesting softness that stands in contrast to its structure in polished or burnished brass. Made in collaboration with one of Italy's most famous architects and designers, Paolo Rizzatto. Other colors available.
