KATANA CHAIR BY PAOLO RIZZATO

\$2,665

DESCRIPTION

An enveloping backrest, a round seat and three slightly curved legs are the distinctive elements of this stunning chair introduced at Milan Design Week 2018. The brass legs and base are sophisticated and elegant and their smooth and polished finish complements the forest-green fabric that upholsters the cushions of seat and back. A stunning accent piece, this chair will make a statement in a modern or classic entryway, study, or living room.
