KATHÈDRA ARMCHAIR

\$4,960

DESCRIPTION

A study in form and function, this armchair will infuse rustic, contemporary warmth into any interior. Made of solid iroko wood, this chair is marked by a wide seat, a delicately contoured low back, and dainty armrests in stainless steel: each design element creates a harmonious piece that is both comfortable and timeless. The chair stands on two solid, straight legs that taper from a wide top to narrow foot. The natural oil finish exalts the iroko's natural grain. Available in a wide range of wood combinations, please contact the Concierge for details.
