KENYA SET OF 6 DINNER PLATES

\$590

DESCRIPTION

With the Kenya collection Vito Nesta explores the luxuriant surroundings and culture of this African country, recreating six different scenes of life in a village. Each of the porcelain dinner plates is adorned with a black and white vintage depiction of villagers performing different activities. Part of the decoration is a geometric pattern featuring a series of triangles in pastel colors and gold accents that add a contemporary twist to the table for a unique and striking effect.
