## KILOS BLACK CYLINDER BOOKEND BY ELISA OSSINO

\$200

### DESCRIPTION

Perfect in a set or alone as a striking accent piece on a desk or console, this elegant bookend is made of black Marquina marble in a pure cylindrical shape with a diagonal-cut top. Designed by Elisa Ossino for Salvatori, this piece from the Kilos series comes also in white Carrara marble. Whether it is used with its twin to flank a stack of books or arranged with the other pieces by the same designer that feature different shapes but the same material, this sculptural object is a modern and eye-catching addition to any living room or office decor.
