KILOS WHITE CYLINDER BOOKEND BY ELISA OSSINO

\$200

DESCRIPTION

Both sculptural and functional, this bookend from the Kilos series designed by Elisa Ossino for Salvatori will keep all the books organized in a stylish way. Constructed of white Carrara marble, the cylindrical shape features a diagonal cut on top and a smooth, polished surface. Designed to secure books on a bookcase or desk, this piece can be styled in multiples, mixed with the other bookends from the Balancing and Lui & Lei series to create a refined composition of pure geometry. Available also in black Marquina marble.
