KIM ARMCHAIR

\$2,330

DESCRIPTION

This elegant piece is comfortable and sophisticated and will invite to relax in an entryway, living room or study. The tilted backrest is comfortable and ergonomic, while the enveloping armrests add a cozy accent. The feet are in beechwood with an elegant wenge finish and support a wooden frame padded with a polyurethane foam with a 35kg/3m density and a cotton cover. The non-removable fabric upholstery is a refined forest green that will blend in any decor.
