## DESCRIPTION

This stunning cabinet will be a versatile and precious addition to a modern home, where it will provide any room with storage space, while also adding elegant texture and a sophisticated allure to a wall. The wooden base boasts a natural oak finish. Its legs have brass tips and their horizontal top is adorned with an exquisite carved decoration. The top features four doors and is covered in a grey oak finish with an inlaid perimeter. The two top doors open into a yellow-lacquered interior with one glass shelf. The two lower doors hide six drawers with their front covered in yellow leather.
