KLEA BURNISHED AND MARBLE FLOOR LAMP

\$8,530

DESCRIPTION

A statement piece of strong visual impact, this floor lamp is functional and highly decorative, thanks to its uniquely thin source of light at the top (an integrated LED 6W 3000K bulb), and to the striking combination of contrasting materials and shapes. The elongated silhouette of the lamp, crafted of burnished metal, is supported by a cylindrical base made of marble measuring 25 cm in diameter. The effect is stunning and elegant, creating a sculptural piece that lights up a room even when switched off. For possible customization, please contact the Concierge.
