LIGHTING : TABLE LAMPS

Interia

KLESSY BY ALALDA DESIGN

\$380

DESCRIPTION

This elegant table lamp is versatile and modern, creating a delicate ambient light, thanks to the porcelain finish of its LED bulb. The shape of this lamp is reminiscent of an hourglass, where the upper part is the bulb, while the lower part is made of wood. For the 100V-wired version of this piece the bulb is not included.
