**KNOSSO BLACK VASE**

\$490

## DESCRIPTION

This piece is classic in its shape and the gentle curves of its two handles, and at the same time modern in the choice of the matte black finish for its external surface. When paired with the contrasting glossy white of its interior, this timeless vase will make a striking effect in any home. The waterproof interior makes it ideal to contain liquids and display fresh flowers. Either alone, or paired with its platinum and white versions, this vase will enhance the look of any home.
