## KNOSSO CENTERPIECE

\$490

### DESCRIPTION

This elegant centerpiece in ceramic features a sophisticated white enamel that is glossy on the inside and matte on the outside. Its delicate shape, highlighted by the two curved elements opening up the mouth, is timeless and striking and will complement any decor. Thanks to a waterproof treatment, the interior of the piece can contain liquids and food, making it a perfect addition to a dining table. Its exquisite silhouette makes it also suitable to be displayed in an entryway or a living room.
