KOBE EBONY DESK

\$6,250

DESCRIPTION

Industrial allure and modern sophistication are the distinctive features of this desk, crafted with a frame in bronze-finished metal and wood with a striking ebony veneer. Also available with a durmast veneer, this piece is bold and elegant and will be eye-catching in a loft or private office. It boasts an asymmetric silhouette with a drawer and back panel on one side and a simple leg on the other. The drawer features Bluemotion guides and a metal handle with a leather insert.
