KR1 RUG BY KARIM RASHID - POST DESIGN

$7,500

DESCRIPTION

This exceptional rug is part of an exclusive, limited edition of only 36 pieces hand-weaved of wool by Nepalese artisans. Designed by Karim Rashid in 2004 from the Life's Commodities Collection, it aptly features a colorful array of miscellaneous, everyday objects rendered in a stylized and graphic manner. The objects float amidst a sky-blue background and boast an irregular edge, adding to the playful character of the rug. A label contains the original signature of the designer. Handmade by craftsmen in Uma technique. Life's Commodities 2004 Collection.
