KRISTALL SIDE TABLE BY MICHELE DE LUCCHI

\$2,260

DESCRIPTION

The dynamic design of this alluring side table was created by Michele De Lucchi for Memphis in 1981. The zoomorphic silhouette of this piece features four blue metal legs supporting a wooden rectangular piece decorated with a diagonal black and white lacquer decorative pattern, linked to a yellow plastic disk. This versatile piece will provide display surface in a contemporary living room, while also being a superb postmodernist work of art.
