### KRUG RED SOFA

\$22,455

#### DESCRIPTION

An excellent piece of prestigious classic design, this sofa has a sumptuous and sophisticated allure. Resting on a solid wood structure, it features a sinuous and majestic silhouette thanks to its flared and curled-up armrests, and to the gently curved and elegantly tufted backrest. Padded of feathers, its outstanding upholstery combines red velvet and leather and makes it a luxurious piece of the Cosmopolita Collection.
