## KRYPTOS NATURAL OAK BOOKCASE

\$36,490

### DESCRIPTION

This bookcase by NB Milano is a harmonious composition of wood and leather. The poplar and okoume plywood structure is veneered in polished oak, finished and polished with beeswax and linseed oil. Frontally, the bookcase is covered with full grain leather with bas-relief motifs and features two natural brass handles. Once closed, this piece of furniture has limited dimensions, just 1 meter in width. When open, it doubles the dimensions, revealing four sections of fully-usable internal shelves.
