KUBRIK IRON SET OF 3 COFFEE TABLES

\$1,980

DESCRIPTION

This set of three low coffee table is part of the Kubrick Series of multi-functional pieces designed to become an essential part of a contemporary and industrial-inspired home or office. The simple, open frame is made of squared iron and features an iron top (removable), all finished in matte gunmetal gray. Highly adaptable and lightweight, this table is available also with a wood-veneered top in blue, red, green or walnut. Perfect to reduce clutter by increasing space efficiency, they can be used as whole or separate tables in a contemporary home or office.
