KUBRIK WOOD SET OF 3 BLUE AND GREEN COFFEE TABLES

\$2,090

DESCRIPTION

Designed as a modular piece to be used in creative ways in contemporary and industrial interiors, this set of 3 blue coffee tables have an iron frame with two wood-veneered aluminum panels: on one side the panel is painted blue and the other side features a green wooden finish. Perfect to reduce clutter by increasing space efficiency, they can be used as whole or separate tables in a contemporary home or office. The low coffee table measures cm 36x36x18(H), the bi-level table measures cm 36x36x18/36(H), and the taller measures cm 36x36x36(H). For other color combinations please ask Concierge,
