KUMI TILLA IN WONDERLAND MASK

\$1,740

DESCRIPTION

This limited edition of mask-casket designed by architects Fabio Rotella & Flavia Aprilini is both a decorative object and secret case. The collection features six pieces inspired by the African tribal tradition and entirely handmade. The nickel-plated metal structure has velvet interior lining. The leaf of each mask is finely decorated in multi-colored TILLA® picotesserae accented with silver leaf for additional sparkle.
