

HOME DECOR : WALL & FLOOR DÉCOR : RUGS & CARPETS

Kubel Design

KUSKO RUG

\$3,350

DESCRIPTION

This sustainable rug is deftly hand-woven from dye-free recycled cotton threads, combined to achieve an asymmetrical design of high visual intensity. Its minimalist, two-tone look manages to imbue any floor with its outstanding personality resulting from a strong graphic pattern of straight black lines that emerge from the off-white backdrop.
