L'AFRIQUE FLOOR LAMP BY STUDIO JOB

\$1,399

DESCRIPTION

Designed by Studio Job as part of a collection of seven different designs in The Lighting Archives series, this magnificent floor lamp is a contemporary interpretation and homage to the Tube, an iconic piece produced by Slamp in the 90s. Crafted of engineered plastic, its sober silhouette is adorned with an exquisite decoration that evokes the magnificence of Mayan Art. The ideal piece to give a bold decorative flair to an eclectic living room or entryway, this piece will make a statement in any interior.
