L'EQUILIBRISTA SET OF SIX PLATES #1

\$550

DESCRIPTION

Crafted and painted by hand using traditional techniques, this set includes six ceramic plates that will be an impeccable addition to any home, as well as a precious housewarming gift for a young couple. The tightrope walker ("equilibrista" in Italian) represents the common motif on each plate, depicted in the center with slight variations on an exquisite background of soft brushstrokes of yellow, green, orange, and blue colors. The designs can be selected to create a personalized set of six plates.
