LA CLASSICA TABLE LAMP

\$8,050

DESCRIPTION

An ode to the grandeur of classic architecture, this artful table lamp is sure to capture the eye in any eclectic or contemporary decor. The light source is hosted within a temple-shaped diffuser in silk-screen-printed, black-and-red silk, the light illuminating the print's deft details with its soft glow. The brass stem rises from a plinth wooden base masterfully treated to achieve a marbled effect. Numbered and signed piece part of a series counting only eleven pieces.
