LA LOLLO WHITE SCONCE BY LORENZA BOZZOLI

\$550

DESCRIPTION

The simple elegance of the La Lollo Sconce (the name refers to the affectionate nickname given to 1950s Italian actress Gina Lollobrigida) provides a sophisticated, retro-inspired aesthetic in any interior. Constructed of a patented material reproducing the glass's brilliance while being entirely shatter-proof, four white cylinders are arranged at staggered heights glowing from their core to reveal a dynamic interplay of geometric patterns (smooth and striped). Requires two E26 4.5 W LED (not included).
