LA VIE BLUE CEILING/WALL LAMP BY ADRIANO RACHELE

\$790

DESCRIPTION

Inspired by the Flower of Life, a symbol of Sacred Geometry which maintains that all life is part of a divine, geometric plan, this ceiling lamp creates a powerful aesthetic impact while providing diffused, ambient lighting. The flush-mount diffuser is crafted of Slamp's patented material Opalflex®, an innovative, recyclable material composed of techno-polymers and glass crystals that is luminous like glass and resistant like plastic. Available in 5 vibrant colors, this version showcases gradients of blue added through silk-screen printing. Requires two E27 max 12W LED (not included).
