GINORI 1735

LABIRINTO NERO CANDLE WITH LID BY GIO PONTI

\$250

DESCRIPTION

A timeless combination of black decoration, white background, and the warm glow of the gold detail that graces this piece makes it a superb addition to contemporary and classic interiors. Part of the Labirinto Collection, created in 1926 by then Richard Ginori's artistic director Gio Ponti, this cylindrical candle container with lid was crafted of porcelain and boasts a symmetrical motif featuring geometric patterns and a sleek allure. When lit, the 10-ounce candle inside will add a unique ambiance in any room in the house.
