LABIRINTO SMERALDO CANDLE WITH LID BY GIO PONTI

\$230

DESCRIPTION

Part of the Labirinto Collection, the decoration that graces the surface of this stunning candle container with lid (cc 300) boasts a symmetrical pattern that evokes the shape of a minimalist and sophisticated maze. Combining classical inspirations and a modern approach, Gio Ponti designed this decoration in 1926, creating something that is still current to this day. The white porcelain body of this elegant object is enlivened by the emerald green of the motif, while a gold accent marks the silhouette of both container and lid for a luxurious effect.
