## LADY BUG ARMCHAIR

\$7,200

### DESCRIPTION

A study of form and function, this stunning armchair is distinguished for its sartorial appeal that infuse a sophisticated touch in any decor. Upholstered in sage green velvet fabric, the generously sized cushions of the seat and back inspire a welcoming embrace. The ash armrests and front legs form a single curved line that is embellished on the back by decorative details in antiqued bronze. Perfect in a modern living room or bedroom decor, this piece will stand out for its originality and elegance. Available also in leather, please ask the Concierge for details.
