Jona

LADYBUG ONYX CARNELIAN AND GOLD CUFFLINKS

\$2,880

DESCRIPTION

This superb pair of cufflinks will be a fresh accent to accompany an elegant attire. Boasting exquisite hand-craftsmanship and high quality materials, its structure is in 18-carat yellow gold with the post engraved with the "Jona" logo, and the identical toggle and face shaped like a charming ladybug adorned in a refined way that mimics the natural colors of the insect. The red body is made of carnelian, while the black spots are of onyx.
