La Fornasotta

SET OF GOLD & PINK WATER AND WINE MURANO GLASSES FOR SIX

\$990

DESCRIPTION

These exceptionally beautiful glasses are made with multicolored "murrine" with a dominant gold and pink cast. Made by hand according to centuries old traditions, these are truly miniature artworks for the table. La Fornasotta prides itself as the keeper of this particular technique and relishes the slight variations which characterize each piece. You will delight in the remarkable beauty of each and every one of these stunning glasses. This set comes with 6 water and 6 wine glasses and we encourage you to use them every day!
