SET OF 6 AMETHYST FILIGREE MURANO GLASSES

\$590

DESCRIPTION

Set of 6 filigree Murano glasses made with the "a Canna" technique, where canes of colored glass are melted into a clear glass base. This beautiful amethyst set includes 6 glasses entirely handcrafted on the Venetian island of Murano by the master glass blowers of La Fornasotta. The filigree glasses are usually considered the most precious among all Murano glasses.
