LAGUNA SET OF 6 AVENTURINE MULTI-COLORED GLASSES

\$420

DESCRIPTION

Part of the Laguna Collection, this set of six colorful glasses is a sophisticated and modern choice for an elegant occasion. The green mustard, red, amethyst, pink, black, blue, and orange spots are juxtaposed with traditional "murrine" and aventurine for a dynamic display of patterns that evoke a stylized bouquet of fresh cut flowers. Obtained using the "sommerso" technique, each piece (8 x 8 x H 13 cm) is enclosed in transparent glass, preserving the magic of the multi-hued decoration. Each glass is a one-of-a-kind.
