LÀRES CUPBOARD BY ACT_ROMEGIALLI

\$5,525

DESCRIPTION

Designed by Act_Romegialli, this elegant and timeless cupboard will be a striking presence in any home. Its rectangular shape was crafted entirely of solid larch with the front featuring two sliding framed doors with tapered wood handles that open up into an interior separated with a solid shelf. The top is adorned with two round concave elements that can be used to hold collectibles or as minimalist vide poche. Superb details and fine craftsmanship make this unique design a versatile object of functional decor in a living room, dining room, or entryway.
