LARGE BLACK ATTACHÈ CASE WITH UMBRELLA COMPARTMENT

\$2,160

DESCRIPTION

The generous volumes of the attachè case will offer precious storage space during the daily commute to work, while its elegant silhouette and exquisite details will elevate it to a stylish object. The wooden structure is upholstered in black full grains calfskin, which is also the color of its suede interior. The side opening, equipped with two combination locks, can become a travel desk, while an umbrella compartment is lodged under the handle. This striking piece is equipped with two file pockets, four business card holders, two pen holders, and a small pocket for miscellaneous items.
