Ceramica Pinto

LARGE BLUE OPTICAL TILE

\$1,140

DESCRIPTION

Artistic and colorful 20 mm deep ceramic slab, coated in enamel with varying shades of blue and green. This abstract design was masterfully executed by painter Antonio Franchini. Franchini was part of the MAC Movement (Movimento Arte Contemporanea) together with Atanasio Soldati, Gillo Dorfles, Gianni Monnet, and Bruno Munari. He worked in between Paris, Milan and Rome before returning to Italy where he started a collaboration with Ceramica Pinto. The design is handmade by skilled artisans in Vietri sul Mare in the Amalfi Riviera.
