LARGE CARRARA MARBLE BAS-RELIEF HECTOR AND ACHILLES

\$1,800

DESCRIPTION

A tribute to the greatest heroes, this bas-relief by sculptor Fiorenzo Buttazzo is carved of white Carrara marble and is part of a series of four panels inspired by Greek mythology. Portrayed in De Chirico's metaphysical style, Hector and Achilles are represented as faceless mannequins facing each other in their fight to the death that sits at the heart of Homer's Iliad.
