\$2,900

---

### DESCRIPTION

This sophisticated marble vase designed by Matteo Thun for UpGroup is an elegant object that combines minimalism and playfulness. The design is composed of three separate elements: the central oblong shape is in white marble the base has two overlapping circular elements in black Portoro and red Bilbao and the top rim in black Portoro has a flared edge that opens to reveal a smaller twin rim made of glass. With or without flowers, alone or paired with other vases in coordinating colors, this stunning object reveals the extraordinary craftsmanship and precious quality of the stone. Available in three sizes: 16x44cm, 8x25cm and 8x20cm, please ask the concierge about pricing for these options.
