Marricreo

LARGE RECTANGLE-BASE BROWN TABLE LAMP

\$370

DESCRIPTION

Marricreo's signature nautical inspiration is elegantly exemplified by this table lamp, a fine addition to a dresser or desk in exclusive boat cabins. The wavy contours of the pleated fabric shade add dynamism to the base, which seduces with its glossy, golden metal rod adorned at the base with a nautical knot whose rope matches the ones covering the sides of the wooden base upholstered in brown leather.
