## LARGE SQUARE-BASE BLUE TABLE LAMP

\$320

### DESCRIPTION

A fresh lighting solution of unmistakable nautical style, this table lamp will be impeccably positioned on a low bar cabinet in exclusive boat saloons. The wooden base comes covered in blue leather with its sides wrapped by deep-ocean ropes, the same used for the nautical knot accenting the base of the metal stem sustaining the bulb. The light filters through the feminine fabric shade marked by a scalloped profile.
