**LARGE SQUARED WHITE BIN**

\$450

## DESCRIPTION

Crafted of wood and preciously upholstered in off-white leather on the outside, this large design revolutionizes the traditional image of inelegance commonly associated with bins. Also ideal as a container for storage of towels or dirty laundry, it is finished with an extensive design of white ropes wrapped around its exterior and also featured for the handles allowing for a quick and easy carriage. Options in brown or blue leather are available.
