### LAS PALMAS BLUE PLATE #3

\$110

#### DESCRIPTION

The serene landscape of the Amazonian forest is depicted in muted tones of green on this striking porcelain plate by Vito Nesta. The dreamy atmosphere of the Brazilian colonies inspired the artist to create the Las Palmas series, featuring lush images of nature on white background, framed within a contrasting rim in glossy ocher. An elegant addition to any table, this plate will inspire a desire to discover distant lands and cultures.
