### LAS PALMAS BOWL N. 5

\$80

#### DESCRIPTION

This exquisite bowl is part of the Las Palmas Collection, a series of six different designs introduced at Maison&Object 2019 in Paris. Entirely crafted of fine porcelain, this piece boasts elegant curves, a refined gold rim, and a superb depiction of palm leaves in vivid shades of green and turquoise. This colorful and stunning object of functional decor can be used as a display container in a living room, vide poche in an entryway, or as a cup to serve hot beverages in a dining room. For a striking effect, it can be paired with the other designs in the series.
