LAUREL FRITZ-STYLE CANE

\$1,045

DESCRIPTION

This refined, Fritz-style cane features an exquisite laurel-inspired adornment gracing the sterling silver handle (of about 150 gr. in weight), which is meticulously handcrafted following the antique lost-wax casting method. The support structure comprises a conical, black-lacquered shaft in solid beechwood (available in brown lacquer upon request) with a polished finish and a tip in bovine horn enhancing the preciousness of this piece, which is shipped in an elegant gift box.
