LAVA GOLD MISMATCHED EARRINGS

\$270

DESCRIPTION

These two stunning pieces are part of a set of mismatched earrings in the Lava Collection. Inspired by this organic material and by the mineral elements in traditional Japanese gardens, these earrings were expertly crafted of bronze with gold plating and can be combined with other items in the same series. Their height difference is of 4.7 cm and each boasts an asymmetric silhouette that is modern and bold. Variations in each piece are a sign of the entirely handcrafting process.
