## LAVA RHODIUM BRACELET

\$520

### DESCRIPTION

A stunning jewel that captures the dynamic energy of lava pouring out of a volcano, this powerful piece will make a statement on any occasion, especially if paired with a minimalist or monochromatic ensemble. This bracelet is part of the Lava Collection and was crafted by hand in bronze with a rhodium plating that gives it its cool glow. This elegant piece combines art and fashion to create a timeless effect that can be enhanced by combining it with other items from the same series.
