Arte Venetiana

LC300 CHANDELIER

\$34,390

DESCRIPTION

A striking take to a classic staple of Venetian design, this three-tier chandelier was designed by Giovanni Luca Ferreri and entirely hand-executed by expert craftsmen in mouth-blown Murano glass. The base, the eighteen lights and their sinuous arms are in black glass with accents in chromed brass. The cool color combination and modern volumes make this piece an ideal complement to a modern decor.
